N. B.—A complete list and catalogue of my Fancy Goods and Sundries Department will be issued soon.

cases after they leave my store, and are received for by transportation companies *in good order*. Such claims must be made against carriers of the goods. Nor can I fill orders at "previous prices," nor govern myself by the quotations of others. I sell from my own stock only, and at prices based on what the goods cost me.

I have engaged competent, careful, and experienced men to superintend each department of my business, and have adopted and carried into effect the most practical, simple and systematic arrangements, so that every order, as soon as received, may have the most careful attention and the utmost despatch.

I shall be most happy to give quotations by letter, subject to the fluctuations of the market, and I flatter myself that I shall be able to give more advantageous prices and more satisfactory attention to orders than any other House in the United States.

I keep *Genuine Goods only*, and will at all times oppose the introduction and sale of counterfeit articles. My customers may therefore safely rely on getting goods that are guaranteed to be genuine in all cases, as I will neither countenance nor recognize any fraudulent attempt to imitate the trade marks of others under any circumstances.

When desired, I will effect insurance on goods shipped to order. A large proportion of medicines is put up in glass, and liable to breakage in transit. By careful packing, however, the probabilities of breakage are very materially lessened. The packing of every article is examined by two competent men, whose initials, are attached to the invoice. Bitters, liquors, etc., are sometimes abstracted, *en route*. These are unavoidable accidents, for which I can in no way be held responsible; your recourse is upon the Transportation Co., or an Insurance account.

Let each order, if three a week, state shipping directions in full.

Orders received for goods not in stock, etc., will be filled to the best of my ability as *your agent*, and being paid for by me cannot be exchanged, or prices abated.

I charge for Cartage, and for packed Cases. When *original* packages can be used, no charge is made.

I much prefer remittances, and save considerable expense thereby. If you do not remit, Drafts are always made at sight. *I cannot control the Bank through which they will be presented.*

I am compelled to make all Bills *NET CASH, FUNDS PAR IN NEW YORK*, on presentation of Invoice, or the *unqualified acceptance of Drafts, with exchange*.

I respectfully solicit the trade of all Dealers, both wholesale and retail, and shall endeavor to give the utmost satisfaction in prices and in promptly filling their orders.

The very large capital I have invested in this business enables me to carry heavier stocks than any other competing house; and as no European House makes so extensive a specialty of proprietary medicines, it will at once be apparent that this is the **LEADING HOUSE OF THE KIND IN THE WORLD.**

Trusting, therefore, that you will find it to your advantage to favor me with your orders.

I am,

Yours respectfully,

New York, July 1st, 1869.

JOHN F. HENRY.
